The screenshot shows the Xero website homepage. At the top, there's a navigation bar with links for "Free trial", "Login", and a search bar. Below the navigation is a secondary navigation bar with links for "Features & tools", "Why Xero", "Pricing", "Find an advisor", "Resources", and "Partners". The main content area features a large photograph of a man with a beard, wearing a light blue shirt, standing in a winery. He is holding a wooden wine thief and a glass of white wine. In the background, there are several large wooden barrels and industrial copper tanks. Overlaid on the image is the text "When small business is beautiful business". Below this, a subtitle reads: "From paying your staff to better control of your cash flow, to focusing on the future, Xero is online accounting software that lets you do business, beautifully." Two buttons are visible: a green button labeled "Try Xero for free" and a white button labeled "Learn more". At the bottom of the page, there are links for "WHAT CUSTOMERS SAY", "FEATURES", "PLANS & PRICING", and "GET STARTED".

A screenshot of the Xero dashboard. At the top, there's a dark header bar with the text "You're using a trial account." on the left and a "Pay now" button on the right. Below the header is a blue navigation bar with tabs for "Dashboard", "Business", "Accounting", "Payroll", and "Contacts". On the far right of the navigation bar are icons for adding a contact, search, notifications, help, and user settings. The main content area has a title "Aarti Arya". It features a large white box with a green progress bar at the top, containing the text "Welcome to Xero 🌟". Below the progress bar, it says "Business will run smoother and you'll get the most of Xero by following these steps to get set up." and "If you need help from a pro, invite your accountant or bookkeeper or find a Xero-certified advisor.". A blue "Get set up on Xero" button is at the bottom of this box. Below this is a smaller box titled "Bank balances" with a plus sign icon. It says "Transactions come daily so Xero matches your bank" and shows a small preview of transaction details.
